

Philippe Foidart

Philippe is currently finishing his Bachelor in Fine Arts (Hons.) at the University of Manitoba. Art has been a lifelong obsession and past time for Philippe, who has tried his hand at drawing since early childhood. Though he excels at the simplicity offered by a pencil and paper, he is experienced with oil pastels, oil paints, acrylics and charcoal as well as having dabbled in a various other mediums. His work is intricate and densely detailed, and depicts whatever bizarre and surreal imagery his mind can conjure up.

He is currently working on establishing his own artistic identity and beginning his first large artistic projects outside of school after five rigorous years of studying.
