

## Lauren McPhaden

Lauren McPhaden is a Winnipeg based painter and mixed media artist. She recently graduated with a B.F.A. honours degree from the University of Manitoba. Lauren's most recent work has been dealing with regional animal displacement and exploring the balance between nature and industry as well as concepts of the *wild* and the *modern*. Lauren's future goals include going to graduate school and continuing to expand her body of work. Her website is [www.laurenmcphaden.com](http://www.laurenmcphaden.com)
