

Forum Art Endowment Fund

The Forum Art Endowment Fund is managed by the Winnipeg Foundation as part of its portfolio. The interest from this fund will provide a valuable source of annual income to help sustain our operations as an independent educational art organization in the Winnipeg and Manitoba art community. Your contributions to our Endowment Fund will help to ensure that the art programs we provide to both young and older people alike will be maintained both for now and in the future.

Forum Art Centre and the Winnipeg Foundation

The Winnipeg Foundation has successfully aided several community organizations in establishing their own endowment funds so that the interest generated can support the programs and services they offer. The Forum Art Centre (Forum Art Institute) is excited about this method of income generation, and encourages you to donate to our Endowment Fund.
